The Powerade 3 on 3 Youth Hockey League is proudly
brought to you by Canlan Ice Sports Corp.

POWERADE

THE NEW SEASON IS HERE!

Volunteer coaches must provide criminal background
check prior to participating in the league

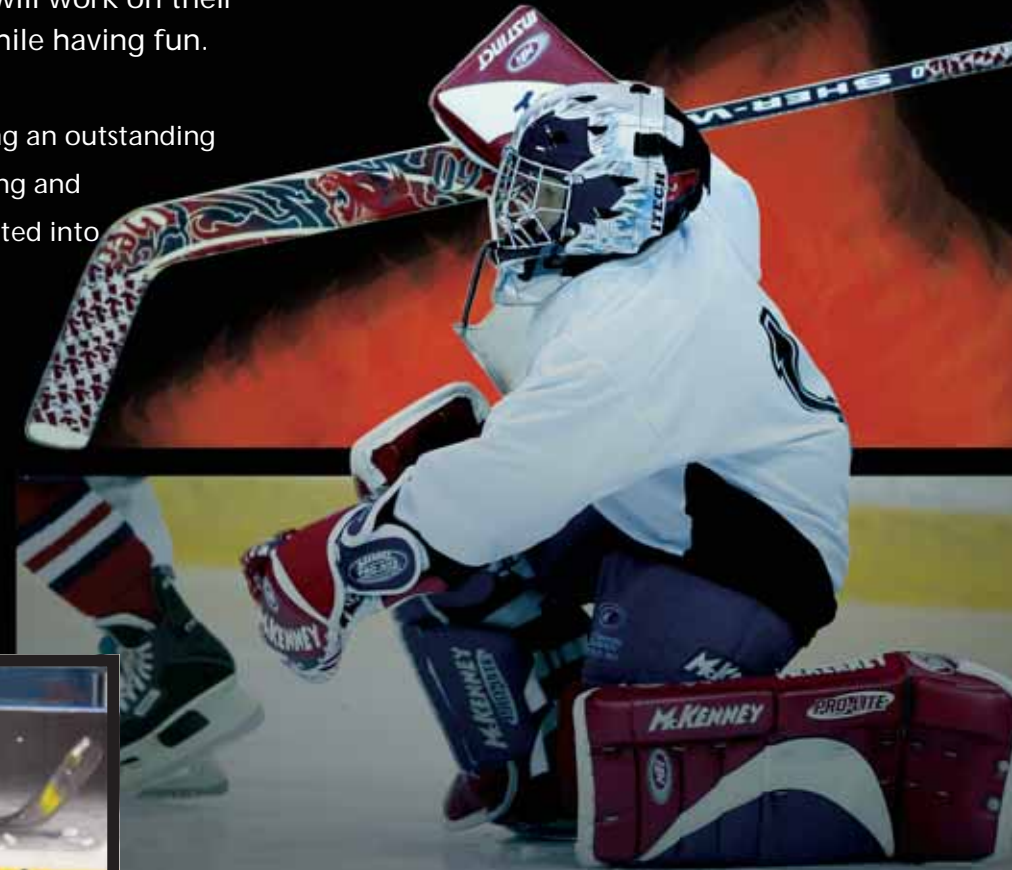

Boasting over 14,000 players nationally, the Powerade 3 on 3 Youth Hockey League is for players who want to intensify their game.

By thinking faster and skating harder, players develop greater aerobic endurance than compared to regular 5 on 5 hockey. 3 on 3 hockey improves overall skill development and game strategy by challenging players both offensively and defensively. Players will work on their skating, shooting and knowledge of the game while having fun.

With unrivaled quality we pride ourselves on delivering an outstanding league that includes weekly statistics, quality refereeing and customized apparel. Teams and players may be separated into suitable divisions to achieve parity and competition.

If the thrill of wide open ice, invigorating speed and challenging offensive and defensive situations won't convince you, than the unmatched quality of the league will. Rosters fill up quickly so make sure you register early to secure your spot.

THINK FAST,
SKATE HARD
