**NEW LOOK,  
NEW SEASON,  
NEW COMPETITION.**

# THINK FAST, SKATE HARD.

Boasting over 11,000 players nationally, the Dasani 3 on 3 Youth Hockey League is arguably the largest 3 on 3 hockey league in the world. Canlan Ice Sports introduced the league 10 years ago to players who wanted to think faster, skate harder and participate in a higher intensity game.

3 on 3 hockey improves overall skill development and game strategy by challenging players both offensively and defensively. Players will work on their skating, shooting and knowledge of the game while having fun.

With unrivaled quality we pride ourselves on delivering an outstanding league that includes weekly statistics, quality refereeing and customized apparel. Teams and players may be separated into suitable divisions to achieve parity and competition.

If the thrill of wide open ice, invigorating speed and challenging offensive and defensive situations won't convince you, than the unmatched quality of the league will. Spots fill up quickly so make sure you register early to secure your entry.
