The Adult Indoor Soccer League (AISL) delivers fun, safe and fair competition to its members across North America. With a wide variety of divisions available there is always the perfect fit for any player regardless of their ability. Additionally, our revolutionary FieldTurf® playing surface offers players the highest quality game available indoors.

League benefits include quick and easy online registration, online statistics and schedules, industry-leading sports accident insurance, and so much more. Our league management and officiating teams are committed to providing a safe and challenging level of recreational competition for men and women of all soccer backgrounds. The AISL is a great way to stay fit while enjoying the beautiful game of soccer with friends.
