

PARTNERSHIP ANNOUNCEMENT

Canlan Ice Sports – Oshawa and Oshawa Kicks Soccer Club

April 16th, 2019

Spring is here...time to take our outdoor game up a notch!

We are thrilled to announce our new partner-in-sport and facility tenant, the [Oshawa Kicks Soccer Club](#).

Canlan Ice Sports – Oshawa recently struck a 5-year deal with the OKSC, an organization that shares a true passion for the game, whether it's on the ice, field or court!

In the coming weeks, you will notice new OKSC signs and upgrades to the office space on the east side of the main floor. Following their busy spring season, the Kicks' Crew hopes to move into their new digs—next to our retail partner [Torontow Sports](#)—in June.

As part of our organization's goal of expanding grassroots programming in the region, we are pleased to offer the brand new [Canlan Kicks & Sticks Camp](#) this July and August. Additionally, we will be co-hosting several Oshawa Kicks Camps this summer.

Please join us in welcoming our partners-in-sport by saying “hello” to their friendly office and field staff when you encounter them in our fine facility.

Now back to the fun and games!
